

Tracy Campbell
Assistant Director
Erwin Child & Family Center

Tracy Campbell is the Assistant Director of the Erwin Child & Family Center (ECFC), a program offered by Pathways Incorporated. Tracy is responsible for providing daily direction and oversight of the ECFC program. She provides input, support and supervision to the classroom and support staff. Tracy helps ensure that all regulations, agency and program guidelines and procedures are followed. She works as part of the center team to promote and implement a quality child care program for children and families.

Prior to joining the Erwin Child & Family Center, Tracy worked at Wee Care Early Childhood Development Center. As the Director, Tracy was responsible for the over all direction and supervision of the daily activities of the program. She worked closely with the previous director to ensure state regulations were followed and that staff provide quality care in a nurturing environment.

Tracy holds a Bachelor of Arts Degree in Elementary Education from Alfred University where she earned her provisional teaching certification. She also holds a Masters of Science Degree from SUNY Geneseo.
