I will receive a confirmation once my request has been approved. After September 4th I will be required to register as per the full day enrollment schedule during the designated registration period.

My account must remain current and in good standing in order to maintain pre-registration.

The deadline to change or withdraw from pre-registered full day programs is **September 4, 2019**. After September 4th, I am financially responsible for all registered full days regardless of attendance. The only exception is a complete withdrawal from the program.
