****Medicaid eligibility required for all services****

Eligibility Criteria for In-Home Counseling (Other Licensed Practitioner):

Criteria 1 or 2 must be met: The child/youth is assessed by the Non-Physician Licensed Behavioral Health Practitioner (NP-LBHP) to determine the need for treatment. The NP-LBHP develops a treatment plan for goals and activities necessary to correct or ameliorate conditions discovered during the initial assessment visits that:

1. Corrects or improve conditions that are found through an Early Periodic Screening and Diagnostic Testing (EPSDT): screening; OR
2. Addresses the prevention, diagnosis, and/or treatment of health impairments; the ability to achieve age-appropriate growth and development, and the ability to attain, maintain, or regain functional capacity.

Eligibility Criteria for Intensive Supports & Treatment (Community Psychiatric Supports and Treatment):

1. The child/youth has a behavioral health diagnosis that demonstrates symptoms consistent or corresponding with the DSM-5 OR the child/youth is at risk of development of a behavioral health diagnosis; AND
2. The child/youth is expected to achieve skill restoration in one of the following areas: participation in community activities and/or positive peer support networks, personal relationships, personal safety and/or self-regulation, daily living skills, symptom management, coping strategies and effective functioning in the home, school, social or work environment.
3. The child/youth is likely to benefit from and respond to the service to prevent the onset or the worsening of symptoms, AND
4. The services are recommended by the following Licensed Practitioners of the Healing Arts operating within the scope of their practice under State License (see chart below).

Eligibility Criteria for Skill Building (Psychosocial Rehabilitation):

1. The child/youth has a behavioral health diagnosis that demonstrates symptoms consistent or corresponding with the DSM-5; AND
2. The child/youth is likely to benefit from and respond to the service to prevent the onset or the worsening of symptoms; AND
3. The service is needed to meet rehabilitative goals by restoring, rehabilitating, and/or supporting a child/youth's functional level to facilitate integration of the child/youth as participant of their community and family; AND
4. The services are recommended by the following Licensed Practitioners of the Healing Arts operating within the scope of their practice under State License (see chart below).

All services must be recommended by one of the following Licensed Practitioners of the Healing Arts:

Licensed Master Social Worker	Licensed Psychologist	Physician
Licensed Clinical Social Worker	Physician's Assistant	Registered Professional Nurse
Licensed Mental Health Counselor	Psychiatrist	Nurse Practitioner
Licensed Creative Arts Therapist	Licensed Psychoanalyst	Licensed Marriage and Family Therapist
