we put people first

High Fidelity Wraparound updated 9/29/2025

What is HFW?

- INTENSIVE national evidence-based model (it's proven to work!) with family at the center of the team
- Uses family strengths & family voice to develop family-driven plan towards identified family vision
- Builds family strengths and skills & supports family to self-advocate through coaching and partnership
- Over time, increases empowerment of family as lead & decreases role of HFW Care Manager
- HFW Care Manager as family partner & starts as facilitator of process
- HFW Care Manager supports care team in their role as a resource to the family, and builds the team

What are eligibility criteria?

- Youth (ages 6-21) residing in Chemung, Monroe, Ontario, Schuyler, Steuben, or Yates County
- Health Home enrolled/eligible with Serious Emotional Disturbance (SED) or 2 Mental Health diagnoses
