

High Fidelity Wraparound

Yates County System Of Care – Yates INSYGHT

What is HFW?

- National evidence-based model
- Family at the center of the team
- Use family strengths & family voice to develop family-driven plan towards wellness
- Builds families up & supports families to self-advocate through coaching and partnership
- Over time, increase empowerment of families as lead & decrease role of HFW Care Manager
- HFW Care Manager as family partner & facilitator of process
- HFW Care Manager supports care team in their role as a resource to the family
- HFW Care Manager assists in building the care team (natural supports, schools, therapists, parent advocates, medical professionals, etc)
- HFW Care Manager gradually supports the family in taking over collaboration and coordination with team
